Notes:

This guide does not consider any other business activity conducted by the investor

- All expense items should be included as primary production

Depreciation

- Depreciation relates to 20 x Abalone Baskets costing \$980 each (excl GST)
- Type 1 Investors - Immediate write-off of assets < \$1,000 is available to investors registered for STS & GST
- Type 2 Investors - Investors add assets to the General STS Pool, 15% depreciation in year 1 & 30% p.a. thereafter.
- Type 3 Investors - This example assumes that Non STS taxpayers utilise the Low Value Pool for calculating depreciation which allows for a depreciation rate of 18.75% for the first year and 37.5%p.a. thereafter.

Interest Expenses

- The above does not take into account any interest expense deductions that may be available if the investment was financed
- Interest should be included at Label P8, Item Q
